The Court of Appeals has scheduled and reserved Wednesday, August 21, 2013 and, if necessary, Thursday, August 22, 2013 to consider appeals and motions for leave to appeal related to primary election matters.

Because there is limited time available between the primary election sessions of the Appellate Divisions and the Court of Appeals, parties who seek to have matters placed upon the Court of Appeals motions or appeals calendars must contact the Court of Appeals Clerk's Office for filing instructions promptly (usually at the time the decision of the Appellate Division is made known).

All parties, election boards and affected courts are expected to proceed expeditiously with all phases of election matters so that the requirements of these special sessions can be met. Details concerning adherence to and compliance with the schedule may be sought by communication with the respective clerks' offices, as the need arises.
